

## **How to make a Sunflower Card**

### **You will need:**

- 1 piece of A4 card folded in half
- Dried pasta
- 1 piece of corrugated card cut into a circle
- 2 googly eyes
- Green card

### **How to make your card:**

1. Take the folded A4 card and stick the circle of corrugated card onto it about half way up
2. Stick the dried pasta around the circle of card to form the petals of the sunflower
3. Stick the googly eyes onto the circle of card to make a face
4. Use the green card to form a stem and leaves

**Reflection: Thank God for the Harvest and for everything He provides for us every day**
