

Edible Candles

You will need:

- One chocolate mini roll
- Icing sugar
- 1 orange or yellow sweet
- 1 digestive biscuit

How to make your Edible Candle:

1. Mix together the icing sugar with a tiny amount of cold water and make a smooth paste.
2. Stand the mini roll up vertically and use a tiny amount of the icing to fix the mini roll to the digestive biscuit.
3. Drizzle the remaining icing over the top of the mini roll to resemble candle wax
4. Fix the yellow or orange sweet on top of the icing to resemble a lit flame.
